It is a question that is causing a huge discussion after a controversial Sony Sony I talked about the support of 1080i for "almost HD" sets. Currently, it qualify as HD in the UK, the set must be 720p or 1080i, with so-called Full HD or True HD sets having 1080p.His burnout when Burnout for Paradise Designer Simon Phipps wrote on the Sony blog: "Plus heaps more, including: 1080i support for Playstation 3 owners with a Set almost HD" sparked something of a reaction. "I really appreciate the 1080i support, but calling 1080i 'TV's' almost HD' is a real stupid move" just because you don't like it doesn't make it a real res king. There are no categories to clutter your screen, just a bar Discrete. Jagga will find the girl of his dreams? Nether is it "enough HD". As a result, it is difficult to understand when it ends.
